

Our baby food ingredients

All our baby food ingredients are tested at accredited laboratories to EU baby food regulations and we disclose the origin, testing, certificates and traceability to farm.

We carry out microbiological tests and batch testing for pesticide residues, nitrates, nitrites, heavy metals and mycotoxins. Our products are certified to EU organic regulations 2006/125/ EC and 1881/2006. Naturen Ltd is also certified by Organic Farmers and Growers licence number P0699.

Organic and conventional

- Fruits
- Vegetables
- Cereals & grains
